Release Notes:

Raumakustik should be a notion – at the latest after their successful single "Glaub Mir Doch" this year. The duo from Dresden, Germany was always on the go in 2011 with several releases and remixes for Labels like Deich Records, Klang Gymnastik or Keimzelle. And right before 2012 they strike back with "Traumtanzen". This is pure dancefloor pleasure and already approved within the last months. To complete the label debut of Grain Audio Mister Marcapasos (Toka Beatz, Housesession, Dusted Decks) delivers a real house remix to get you back to the good old days.
